Mr. Fred Hartman,
1647 Third Avenue,
New York.

Dear Fred:-

Can you tell me where you kept the record of attendance for the last four days of last week? It does not seem to have been entered in the book, and I think you probably have kept it on a loose memorandum.

Do you want the recommendation of which you spoke at the present time? If so let me know the name of the people to whom you wish it addressed.

With the best of good wishes for you in your new activities, I beg to remain,

Yours ever,

Secretary.

Dear Mr. Noe.

I received your letter this morning. I had the numbers on a memorandum on my desk, but if you do not find it, I can tell you them as follows, Wednesday 18, Thursday 14, Friday 22, Saturday 42. I am very sorry I could not help you in getting somebody for my place.

I do not need the recommendation at the present time, but when I do I will let you know. I am going to an automobile school in the evening and I expect to start work at a garage in a few days.

I have been busy there past few days helping my mother clean up house. I thank you very much ^{from} all you have done for
(over)

me and please give my
kindest regards to those at the

Yours respectfully,
Fred Hartman.

P.S. I hope the Prince of Wales
medal is a success.
